

## **REGENT COLLEGE – EXPERT TEACHERS ARE OFFERING EASTER REVISION**

As spring time approaches, thoughts in schools and colleges across the country turn to the summer exams and all the preparation that there is to be done for them and for no-one is this thought more pertinent than the students who are taking public GCSE and A-level examinations. For these exams, do not only indicate the successes of the academic year, they can have a significant impact on the educational and professional future of an individual, affecting A-level and UCAS choices.

This is why it is vital that a student takes maximum advantage of the time available to them to get ready for these exams. Here at Regent, we feel that we can assist in this area and help students be in the best possible position to take these exams, ensuring that they approach the exams with confidence. We have a solid history of providing tuition and revision courses to students and this experience and our success in the past means that you can be confident in your choice to send your son or daughter to us for revision over the Easter Holidays (2<sup>nd</sup> April 2010 - 18<sup>th</sup> April 2010).

We provide revision on the core topics of each subject, past paper practice and sessions on study skills and examination technique and teachers will deal with any specific concerns on a topic that students may have. Students will also sit a mock exam at the end of the course so that they have a true picture of their strengths and weaknesses upon which they can work. For GCSE students, we offer English, Maths, Science and ICT revision and at A-level, all the major subjects are offered.

All our teachers are dedicated professionals with years of experience, who either teach with us on a full-time basis, or teachers who are with us as part of Regent Learning, our tuition branch. They are fully aware of the demands that these examinations place upon the students and skilled in getting the best possible from each student. Our courses are co-ordinated by the College Principal, Mr Selva Pankaj, who has been an examiner himself, and Vice-Principal, Ms Juliana Storey who has extensive teaching experience. This guarantees that our courses stay fresh and relevant.

Our Easter Revision Courses offers all students a fantastic opportunity to improve their chances of success in their forthcoming examinations. We teach a wide variety of students from various schools and colleges, not just those who are already enrolled with us on a full time basis, but many students from local state schools such as Nower Hill and Whitmore, independent schools such as Merchant Taylors and Haberdashers' Aske's and some local grammar schools such as Queen Elizabeth's School and Watford Grammar. This gives students an excellent opportunity to enjoy a change of scenery, benefit from different and varied styles of teaching, be inspired by their peers and respond to new challenges.

Courses are charged at £400 each for AS and A2 students and £350 for GCSE students. Of course, we also offer private tuition should you feel your son or daughter needs further help on an individual basis which is an excellent opportunity to further develop areas of knowledge that have been covered during the course.

For further information, please contact the College on 0208 966 9900 or you can go to our website at [www.regentcollege.uk.com](http://www.regentcollege.uk.com)
