

# Regent College Bulletin

Week Commencing 01/02/10

## Week 18

### **Events from Week 17:**

- School activities operated as normal.
- Most of the A Level students have completed their examinations.

### **Focus for this week (Week 18):**

- Most of the A Level modular exams have been completed, with the exception of A Level Legacy students. As a result, teaching has re-commenced for A Level students with no disruptions towards their timetable due to the exams. On this basis, the A Level teaching will be focused towards new modules.
- The school will conduct progress tests for AS, GCSE Intensive and Senior School students, with the exception of A Level students as they finished their official examinations the previous week.
- Examination entry deadlines for June 2010:

Deadline	Year Group
09/02/10	GCSE students
12/03/10	AS & A Level students

- The school has organised talks from universities for the benefit of our AS students. The following are the details:

Date	Guest Speaker
25/02/10	David Winstanley (University of Liverpool)
03/03/10	Sally Grimley (Goldsmiths)

The focus of the talks is to provide AS students with guidance on the UCAS process such as planning and preparing applications. Further talks will be organised and details of these will follow.

### **Looking ahead:**

- Progress reports will be sent by week ending 26<sup>th</sup> March 2010.
- Due to the recent Earthquake in Haiti, we are organising a charity football match, which will take place on Friday 12<sup>th</sup> February 2010 at Harrow Sports Ground. The event will start from 1:30pm onwards, to coincide with the last day of school before half term commences from Monday 15<sup>th</sup> February-Friday 19<sup>th</sup> February 2010. Please join us in what promises to be a fun and exciting match. The funds raised from this event will contribute towards a good cause.

### **Points of thought:**

- Focus Groups: Focus groups have been designed to assist our students who need the greatest amount of support. These groups are managed and run by Miss Houdinet our Learning Skills Co-ordinator. Within these classes, Miss Houdinet will be working on study skills, subject specific revision and organisation of homework. If your child has been allocated into a focus group, Miss Houdinet will keep in contact. Additionally, should you feel that your child would benefit more from additional monitoring, please contact us or Miss Houdinet.
- Virash Patel who is the Director of Studies, as well as the Head of Science, will also be leading the Regent Medical School Programme. Therefore, students that are considering Medical, Dentistry and Pharmacy options for university will have the opportunity to meet with Mr Patel to discuss their choices.
- The results for the A Level modular examinations will be available on Thursday 11<sup>th</sup> March 2010.

### **Half Term Holiday Courses:**

- During the half term week, we will be offering courses for Entrance Exam preparation, Year 6 SATs and Excellence in English. For further details, please contact Sanam Arora.

### **Easter Revision 2010:**

- Course structure  
Each revision course lasts five days. There are normally four hours of teaching each day, divided into two morning and afternoon sessions. There will be total of 20 hours teaching for each subject in small groups.

09.00 – 1.00 Morning Session

02.00 – 6.00 Afternoon Session

- Course Dates  
Friday 2nd April - Sunday 18th April 2010
